## 2023 ANNUAL REPORT EXECUTIVE SUMMARY

---

# LETTER FROM THE CHAIR

On behalf of the members of the Missouri State Rehabilitation Council, it is my honor to present this summary of the Council's annual report for 2023. Each Council member has unique experiences in advocating for the rights of our fellow Missourians whose physical or mental disabilities may pose barriers to productive employment. Through our quarterly meetings and committee deliberations, we have given our support to Missouri Vocational Rehabilitation to empower individuals with disabilities and to encourage decisions that lead to greater self-sufficiency. It has been my great privilege to work with members of the Council as well as with Missouri Vocational Rehabilitation staff, all of whom are dedicated to providing our citizens with the opportunity to make choices in obtaining meaningful employment.

Respectfully,

Earl Brown, Chairperson

## COUNCIL'S PURPOSE

The State Rehabilitation Council (SRC) was first authorized by the Rehabilitation Act of 1973 as amended in 2014. Section 105 of the Act requires the state vocational rehabilitation agency to establish a council. During 2023, the SRC was actively involved with VR in the activities below:

- Reviewed and provided recommendations to VR regarding the combined state plan's comprehensive statewide needs assessment, goals, priorities, performance accountability measures, and comprehensive system of personnel development
- Provided recommendations to VR on policy revisions and rule changes
- Participated in and reviewed feedback from VR public hearings to provide input on the combined state plan
- Evaluated and provided recommendations on the effectiveness of vocational rehabilitation services and satisfaction with those services
